

Kids, we've played Rock, Paper, Scissors Tag before! It's a great game that gets you moving, and even makes you think quickly before you react. Go outside and challenge a family member! Play multiple times, have a family tournament?

Just in case you need a review on the rules, here they are:

1. Stand about 5 feet away from the person you are playing against, you should face each other.
2. Play Rock, Paper, Scissors.
3. Think quickly about who won and lost because. . .
4. The winner chases the loser and tries to tag them.
5. If the winner of Rock, Paper, Scissors is able to tag the other person, they win!
6. If the loser of Rock, Paper, Scissors gets away and doesn't get tagged, they win!

This is super fun game for the whole family. Take a video of your family playing, put it on the All Saints Facebook Page?
